

We believe our Lord desires us to love one another and others as He loves us. When Jesus saw a need, He did all within His power to fill that need...when He saw a hurt, He used whatever resources available to heal that hurt. Heart of the Shepherd is committed to carrying out God's work by reaching out to our families, friends and neighbors in their time of need.

May we Pray for You?

Prayer is the greatest contribution we can offer one another. But Jesus looked at them and said to them, ***“With men this is impossible, but with God all things are possible.”*** Matthew 19:26
