Confirmation Verse: Matthew 21:22

Jesus said, "If you believe, you will receive whatever you ask for in prayer."

What I Believe About God

I believe that God is always with me, no matter where I am, who I am with, or what I am doing. He watches over me and protects me. He may allow me to go through rough times, but He is there strengthening me every step of the way and every second of the day. I believe God created heaven, the earth and everything in them. He protects and cares for His creation. He provides me with everything I need and gives me His strength and support through my family, friends and community. I believe that He is my true Father and I am His true child. I believe that my God is the only true God, and He will continue to lead me on the right path through life as He daily watches over me. I believe that everything happens for a good reason...I may not know or understand the reason, but God does! And He will get me through whatever the reason may be if I truly believe in Him and trust Him. I believe that God will continually bless me throughout my great life He's given me. And I believe that my belief in God and my belief in Jesus is my way to Heaven.

Confirmation Verse: Matthew 6: 31, 33-34

Jesus said, "So do not worry, saying, 'What shall we eat?' or 'What shall we drink?' or 'What shall we wear?' But seek first his kingdom and his righteousness, and all these things will be given to you as well. Therefore do not worry about tomorrow, for tomorrow will worry about itself. Each day has enough trouble of its own."

What I Believe About God

My name is Samantha and I have been a Christian my whole life, but within the past couple of years God, Jesus and my faith have become real in my life. I believe that my God sent his Son Jesus to earth to spread his word and died for the sins of you and me. I believe that Jesus lived a perfect life on earth and then died on the cross. Jesus did conquer hell and rose from the dead and now reigns in heaven but will come again to judge the living and the dead. My Lord and God will wait for me to join them when its time, so I can live forever in the best place possible.

My faith affects my life because it guides me on a better path of life as God helps me make the right decisions. Even though I may doubt him at times when something unexpectedly happens, I know that he still loves me and always will. Also I know that I can pray to God about anything, and he will find a way to help which makes me feel happy and safe, knowing that I have a loving God watching over me. And I plan and pray as life goes on that my faith keeps growing and that my relationship with God grows stronger and stronger.

Confirmation Verse: Matthew 6:21

Jesus said, "For where your treasure is, there your heart will be also."

What I Believe About God

I believe that God is and always will be the almighty being in my life. He cheers me up when I feel down. He helps keep my troop on the right path. He is there when I get lonely. He cares for me when others don't. He protects me from the sinful ways of the wicked devil and from my sinful self. He comforts me when I am hurt and loves me for who I am. He is always there to hear my prayers. He has helped my family get through tough times. He gave me this life so then I can spread His great and holy word. He has and will always be there for my family and me.

Confirmation Verse: Revelation 2:10

Be faithful, even to the point of death, and I will give you the crown of life.

What I Believe About God

I believe in God the Father, who made the heaven and earth. He loves us eternally and will never betray us. He has shaped me into a kind person by His loving words. He is my guardian in troubles, Savior from sin, and Father in heaven. He will guide those made righteous through faith in Him to His kingdom to live there for eternity. I love to be a part of His Church and can't wait till I get to live with Him in His kingdom.

I prayed a lot when my mom was really sick with her brain tumor. I asked Him to take care of her and stay by her side. I will ask Him to guide me with my future, and lead me where He wants me to go.
