SUMMER NEWS!!!!

As of Monday, June 7th classroom transitions for the summer will begin. By June 21st, HOTS CDC will be operating with 4 classrooms for the Summer Program. Based on lower enrollment, we will be combining the infant, toddler, & preschool rooms together. We will be continuing to offer the school age summer program & they will utilize Ms. Kim's room. With this change, the 1st infant room as well as the 1st

toddler room will be closed. All infants will be combined in the 2nd infant room. All toddlers will be combined in the 2nd toddler room with Ms. Tiffany. All preschoolers will be in the larger preschool classroom. For the most part, teachers will continue to work with their respective groups of children to ensure the continuity of relationships. Please see Courtni with any questions or concerns. Thank you!

So join us for a week of great family fun as we experience Christ's love together.

Staffing Notes:

Don't forget during the summer months the children go outside as much as possible; therefore, they are playing with water and sand most every day. Please dress your children appropriately for outdoor play and send a change of clothing labeled with your child's name.

Please keep in mind that during the summer months many teachers have planned vacations & a few of the teachers are taking extensive time off due to lower enrollment this summer. Ms. Jenny will be out for 8 weeks, Ms. Julie will be around on a very limited basis & Ms. Kim will be out for 4 weeks later in the summer. Ms. Jenny will be out as of June 7th & returning mid-August. We will make every effort to ensure that the teachers working in your child's classroom are familiar faces for both you and your children. Ms. Rebecca & Ms. MaryBeth will be the two teachers working with the School Age children this year. Courtni has also returned from maternity leave, but will be working part-time during the summer months. Jessy will continue to work with Courtni helping to manage the day to day operations of the office.
