Team Heart of the Shepherd

Join TEAM HEART OF THE SHEPHERD as we help to “Make Cancer History”! There are many ways you can help! Go to www.relayforlife.org/fowlervillemi to SIGN UP and join our team or DONATE to support our team. We are looking for volunteers to walk and help run concessions on Sunday. It is also not too late to help bake/donate items. We are looking for low-sugar items like muffins, yogurt, cream cheese & granola to sell to the walkers. All proceeds benefit the American Cancer Society.

Please contact Courtni or Michelle in the CDC office if you can join in these efforts!

You can also sign up at the table in the gathering area. Thank You!!!

Great Start Livingston- The Place to Go for “All Things Early Childhood” in Livingston County

Great Start Livingston is a partnership of local professionals, community leaders and parents working with the community to build a comprehensive early childhood system for young children and their families. Through public and private funding this collaborative seeks to assure the highest quality resources and service integration to support Livingston County’s children’s physical & emotional health, child care, early education, basic needs, and provide resources for parents and professionals. Courtni Holst is part of this collaborative as she assumes the position of Chair in October. Quite a few of our parents here at HOTS are part of the Parent Coalition. **We are happy to announce that Ms. Sarah has accepted the position of Parent Liaison for the Collaborative. You will be hearing more about how you can have your voice heard as a parent of young children in this county as Sarah begins her position in the next few weeks.** Sarah will continue her part-time position here at HOTS as well. We look forward to the continued work of Great Start Livingston and the impact it will have on children & families in our county.

We encourage you to visit the website at: www.greatstartlivingston.org

Toddler & Preschool Head Teachers Office Hours

This year HOTS CDC will once again be offering office hours to better serve parents and families. One day a week each full-time Head Teacher from the Toddler & Preschool Classrooms will be hosting “office hours” from 5:00-6:00 pm. We are hoping this will allow a time for teachers to be available for parents to discuss any questions you may have regarding your child or any other questions you may have about the overall classroom and/or curriculum. Please keep in mind your Head Teacher’s late day when planning your pick-up at the end of the day. The other days of the week, teachers are only paid until 5:00 pm, therefore; if you have something pressing that can not wait until their office hour evening, please arrive at your child’s classroom early enough to allow time for discussion at the end of your scheduled session.

Office Hour Evenings
